

## PLC programming software Control FWIN Pro7

Information you need to know before using the software (mandatory reading)

### When Control FWIN Pro7 is not installed

If Control FWIN Pro7 is not installed on the system, a valid **license key (serial number)** is required to proceed with the installation.

The license is available as a **digital product** and can be purchased under the product number:

**FPWINPRO7\_LICENSE**

To order a serial number (license), please contact your local Panasonic sales representative.

During installation, the setup will prompt for the license key. The installation dialog appears as shown below.

### When Control FWIN Pro7 is already installed

If Control FWIN Pro7 is installed, this software updates the installed version. A license key (serial number) is not required.

### Caution

Be aware of the following points listed below.

The copyright for this software is held by Panasonic Industry Europe GmbH.

By using this software, it is assumed that you agree to "Conditions of Use" presented below.

## Conditions of Use

---

- Panasonic Industry Europe GmbH does not guarantee anything regarding the use of this software.
- Panasonic Industry Europe GmbH will not assume responsibility of any sort for direct, indirect, repercussive, resulting or special damage that results from using this software or from the operation of the software itself.
- Panasonic Industry Europe GmbH does not restrict the use, copying or distribution of this software.
- However, when copying or distributing, Panasonic Industry Europe GmbH prohibits the procurement of fees other than the cost of media and prohibits the applying of restrictions in use of the software.

## System Requirements

---

For installation you need administrator rights on your computer.

If the minimum requirements cannot be met, FPWIN Pro may not function properly.

OS	Windows®10 32/64-bit edition, Windows 11
Applicable PLCs	All Panasonic PLCs
